Internship(s)

Zepto | Program Manager Intern – Merchandising | January 2026 – July 2026

Brief: Handled high-traffic marquee and category events requiring seamless cross-functional coordination across category, product, CRM, design, and operations teams. Created merchandising wireframes, analyzed historical demand trends, aligned CRM communication for push notifications, tracked key inputs and timelines, and performed rigorous quality checks to prevent execution gaps and ensure a consistent on-app customer experience, contributing to the successful delivery of 5+ marquee and category events.

Steller Sprangs Solutions | Client Relation Intern | August 2025 – November 2025

Brief: Faced with a need to improve the lead-to-client conversion rate at a B2B solutions company, lead communication was managed across multiple platforms by nurturing prospects and tracking engagement. This effort resulted in a 15% increase in the conversion rate, ultimately leading to the successful onboarding of over 5 new clients.

Academic Projects

Growth Marketing Project | Meme Sabha

Brief: Executed a 10-week growth marketing project by creating Meme Sabha, an Instagram page sharing relatable MBA and B-school content. Planned and implemented posts, optimized for visibility, and analyzed engagement metrics to enhance reach. The page achieved 28,000+ views, 1,100 likes, 280 comments, 500+ shares, and an engagement rate of around 6%, demonstrating strong audience engagement and effective digital growth.

RFP Project | Mitti Cafe

Brief: Given the low sales of Mitti Café at RMZ Ecoworld due to low visibility, we collaborated to improve the situation. We implemented digital and traditional marketing campaigns, proposed an offline referral program, and suggested menu and operational changes in collaboration with the operations team to enhance service quality and overall customer experience.
